☞ While driving around town, you've probably seen the specialty car license plates for professional firefighters, the Lake Tahoe plate, the art plate, etc....well how about one for the professional engineer? Our chapter is endeavoring to make this a reality with the first step of designing our very own industry license plate. Please find attached the details of the design contest. The winner will be announced at the E-week gala.

☞ ☞ The 3rd annual NSPE/Mathcounts Golf Tournament was held November 11th at the Primm Valley Golf Club. Bright sunshine and the beautiful Desert Course made for a wonderful day for the golfers and a great fundraiser for the MathCounts program. The committee would like to thank all of the participants and tee sponsors who generously donated their time and monetary support. The 1st place team, sponsored by Parsons Brinckerhoff, was comprised of John Clark, Sam Tso, Denis Atwood, and Clair Lewis
